To,  
The Registrar,  
Dr. Shyama Prasad Mukherjee University

Greetings from PDRL!

We, at PDRL, are excited to extend an invitation to the students of **Dr. Shyama Prasad Mukherjee University** to participate in the AeroGCS Global Open Competition. As a leading Drone Tech Software Product Company, we are dedicated to transforming drone data into actionable insights through our SaaS platform, AeroMegh. The drone industry is rapidly expanding, with diverse applications ranging from construction progress monitoring to agriculture spraying. Recognizing the growing demand for skilled professionals in this field, PDRL has crafted a comprehensive certification program to equip individuals with the necessary skills for successful navigation in the drone ecosystem.

PDRL is excited to introduce the AeroGCS Global Competition. This exceptional platform seeks to raise global awareness, empower drone enthusiasts, and shape the future of drone operations. The competition is open worldwide to individuals aged 18 and above, including drone enthusiasts, experts, and students from diverse backgrounds. PDRL aims to target 10,000+ registrations of Drone Enthusiasts, Drone Professionals, and Students.

**AeroGCS Global Open Competition:** It is unique platform that aims to elevate global awareness, empower drone enthusiasts, and endorse the future of drone operations. This competition is open worldwide to individuals aged 18 and above, including teachers, experts, and students from diverse backgrounds.

**Competition Overview:**

- **Eligibility:** Open to individuals worldwide, 18 and above.
- **Prizes and Recognition:** Exciting cash awards, certificates, social media spotlights, and job opportunities from PDRL and our partners.
- **Why Participate:** Showcase your skills on the global stage, win substantial rewards, and connect with industry leaders.

**Resource Hub:** Participants will have access to a comprehensive resource hub, including:

- AeroMegh platform access
- Dedicated resources
- Essential drone and simulator setup
- Travel and accommodation arrangements for qualifying participants during the finale.

We would greatly appreciate your support in encouraging students from **Dr. Shyama Prasad Mukherjee University** to participate in this exciting competition. It offers a unique opportunity for them to showcase their skills, win valuable prizes, and network with industry experts.

We look forward to seeing the enthusiastic participation of **Dr. Shyama Prasad Mukherjee University** students in the AeroGCS Global Open Competition.

Thanks & Regards,  
Vishal Joshi
