

A meeting between the agitating students and university officials was held on 25.11.2025. After due deliberations, the following resolutions were unanimously adopted:

1. There shall be no change in the existing fee structure. It is technically not possible to revert back and nullify the notification carrying Memo No.-DSPMU/G/382/22 dated 07/07/2022 as various batches have passed out. It is beyond jurisdiction of the existing system.
2. A committee shall be constituted to examine and recommend appropriate fee relaxations for SC/ST students. The report of the committee shall be placed before the competent statutory bodies for consideration, and any decision taken in this regard shall be implemented from the forthcoming academic session 2026-2027.
3. The Department of Commerce shall be provided with necessary infrastructural support, including the installation of Smart Boards and other required facilities.
4. The last date for submission of Course Fees and Examination Fees shall be extended by two days (25/11/2025 and 26/11/2025)
5. The library of the Department of Commerce shall be strengthened by the addition of relevant books and academic resources.
6. Election of Student Union Election shall be held in coming days. However, details in this regard will be made public after due deliberations with all stakeholders.
