

Dear Students,

Please find below the details for the Placement Drive with **TCS BPS**.

About the Company

TCS BPS stands for Tata Consultancy Services Business Process Services. Tata Consultancy Services (TCS) is one of the largest IT services and consulting companies in the world.

TCS BPS provides a range of business process outsourcing services to clients across various industries, including banking and financial services, insurance, telecom, healthcare, retail, and more. These services typically involve the outsourcing of non-core business functions to TCS, allowing clients to focus on their core competencies and improve operational efficiency.

Some of the services offered by TCS BPS include customer support and service, finance and accounting, human resources outsourcing, supply chain management, procurement, and IT-enabled services. TCS BPS leverages technology, process expertise, and global delivery capabilities to deliver these services efficiently and effectively.

Overall, TCS BPS aims to help organizations streamline their business processes, reduce costs, enhance customer experience, and drive business growth through its outsourcing solutions.
